## REPORT OF THE HIGHWAY COMMITTEE

---

1. In Town Meeting last March the citizens of Hopkinton voted that a committee of five members be appointed to advise the Selectmen on matters pertaining to the Town highways, to draw up a long term plan for the improvement of the Town road system, to make a survey of the roads of the Town, and to report once a year on the progress made. Submitted herewith is the first Annual Report of the Town Highway Committee.

2. The Committee first reviewed the State's laws pertaining to Town highways, as some of these laws have been recently amended.

The method of laying out highways and the responsibility for their maintenance and repair is clearly defined by State laws. The most important of these to us are the sections defining maintenance responsibility and the forms of State aid available to towns.

In Hopkinton the State is responsible for the construction and maintenance of all of Routes 9, 103, 127 and the unnumbered secondary routes around Dimond Hill and the Jewett Road to Dunbarton. All the other public highways, totalling 78.7 miles in length, are the Town's responsibility. This includes raising funds for the repair of highways, keeping the highways in suitable condition for travel thereon, and the liability for damages under certain conditions. The law requires the Town to raise one quarter of one per cent annually of the Town's valuation for the repair of highways (in Hopkinton this amounts to about \$5,900.00), but adds a provision that the Town does not have to raise more than \$50.00 per mile which amounts to about \$4,000.00. Most towns usually raise considerable more than re-

quired by this law. This section of the law further states that the money so raised shall be expended by the Highway Agents under the direction of the Town's Selectmen.

Of most importance to us, Town Road Aid is for the permanent improvement or construction of Class V highways, the State placing major emphasis on the use of these funds to improve school bus and rural mail delivery routes. The Selectmen apply for the improvement of certain sections of highway, these applications are reviewed by the State and approved or rejected. If approved the work is done under State supervision. This year the State apportionment for Hopkinton is \$8,152.25 and the Town must match this money with 15% or \$1,222.84. The Town is not affected by State Aid Construction Funds nor State Bridge Aid because all Class II highways in the Town have been improved and there are no unbuilt Class II bridges. The Town is eligible for aid on Class V bridges of over 10 foot span when it becomes necessary to rebuild them. With our valuation of \$2,374,779.00 the State would pay 40% of the cost up to \$15,000.00 and the Town the remaining cost. In this classification are the Tyler Bridge, the Blackwater Bridge, and the covered bridge in West Hopkinton.

The State law also says that upon the application of any town the Highway Commissioner may furnish to it, free of charge, the services of an engineer for the purpose of consultation and advice on matters pertaining to highways.

3. This first year the Committee has completed an inventory of all the town roads. The Town presently has a highway system exclusive of highways included in the State system, of 78.70 miles of Class V roads as follows:

Bituminous Surface Treated		
Gravel	13.57	Miles
Gravel surfaced	41.78	"
Graded and drained earth	17.15	"
Unimproved	2.60	"
Primitive	3.60	"
and Class VI (maintenance not required)	1.60	"

The enclosed maps show the various town roads making up the town system, and also show the RFD routes and the school bus routes. The Committee has been over all the roads shown on the maps to evaluate their present condition and to estimate future maintenance work or improvements that should be carried out.

4. The Committee has started but not completed a study to determine what amount of money the Town should reasonably expect to spend each year to secure adequate maintenance of the existing road net and to insure an orderly and logical improvement of the town roads to higher standards as the development of traffic and population demands. With only 17% of the town road system black topped now, maintenance costs are high and the improvements which seem warranted are numerous. It is interesting to note that in 1949 twenty-five towns in New Hampshire of approximately the same assessed valuation as Hopkinton spent an average total of \$418.53 per mile on their roads. Hopkinton spent in 1949 an average of \$321.93 per mile. However, the 25 towns averaged 41.78 miles of Class V roads each, while Hopkinton has 78.70 miles. Also, on a State-wide basis about 35% of local rural roads are unsurfaced at present, while in Hopkinton 30% of the town roads have neither a gravel nor a tar surface.

5. The Committee was called upon several times to advise the Town Selectmen concerning highway main-

tenance and reconstruction problems of unusual difficulty. The question of what to do with the floating road into Camp Merrimack was one of these. The State's Department of Public Works and Highways Soil Engineer was called in to take soundings, and after considering all available information the Committee decided that there appeared to be a reasonable chance to get some return from the money previously invested in this road by the Town. The improvement has cost considerable more money than was at first estimated, but we feel it is still the cheapest method of getting a satisfactory road into Camp Merrimack, and it should provide for future traffic needs around the pond in a better manner than any other solution that appeared practical.

In 1952 the Committee plans to complete its budget studies and to be able to recommend a figure for annual expenditure reasonable to the Town's needs and resources. Then the following step will be to work out a list of betterments and improvements to be carried out on a priority basis within the funds available.

6. The Committee submits the following recommendations for the current year:

1. For 1952 Construction using Town Road Aid and Town Construction Funds:

A. *Briar Hill Road*, (Hopkinton Village to Tyler) approximately 0.6 miles of uncompleted road.

1. Replace 1 plank culvert with a RCP or C.M. Pipe culvert.
2. Extend 2 stone boxes with R.C. Pipe.
3. Widen and regrade as necessary.
4. Construct ditches and shoulders.
5. Construct 12" Gravel Course, Compact and apply Bituminous Surface treatment.

(Estimated cost \$3,600).

- B. *Farringtons Corner Road*, approximately 1.6 miles of uncompleted road.
1. Construct necessary drainage structures.
  2. Construct ditches and shoulders.
  3. Reshape and construct 6" Gravel Course and compact.
  4. Apply Bituminous Surface treatment. (Estimated cost \$5,000.00).
- C. *Straw Road*, approximately 0.7 miles of unimproved road extending south from Route 202.
1. Construct necessary drainage structures.
  2. Widen, grade and shape.
  3. Construct ditches and shoulders.
  4. Reshape and construct 12" Gravel Course and compact. No Bituminous Surface treatment. (Estimated cost \$3,700.00).

Total estimated cost of new construction for 1952 — \$12,300 for 2.9 miles.

## 2. Annual Town Report

That a new form of reporting highway expenditures in the Town Report be adopted.

This new form to show:

- A. When spent.
- B. Where spent.
- C. For what.
- D. Amount spent.
- E. Mileage of road improved or other type of work done.

### 3. Planned Maintenance Work

That improved methods of overall maintenance to put into effect to cover the following:

#### A. Drainage:

A definite plan for the construction of culverts and ditches on all roads and for the elimination of the condition whereby many of our roads act as ditches.

#### B. Betterments:

A definite plan for the elimination of major mud holes on all roads by immediate draining, filling and graveling.

#### C. Grading:

A definite plan for the improvement of all unsurfaced roads by more effective use of power graders, several times a year. Many miles of dirt roads need to be built up to shed surface water.

#### D. Stabilization:

The use of Calcium Chloride as a low cost method of stabilizing untreated gravel roads be investigated.

#### E. Widening:

A definite plan for the elimination of very narrow sections on all school bus routes for safety and snow storage.

### 4. Classification of Town Roads

That a Town Highway System be set up and adopted consisting of three (3) groups.

#### A. *CLASS I* — Those most used roads

leading to the centers of population.

(These roads usually connect with State Highways (Primary and Secondary)).

Type: Surface Treated Gravel.

- B. *CLASS II* — Those roads which provide outlet for farms and dwelling situated adjacent to them. In general these roads will serve, primarily the people residing on them, and will have little or no through traffic.

Type: Gravel or Surface Treated Gravel if traffic warrants.

- C. *CLASS III* — Those roads which provide access to farm lands, pastures, and woodlands, but do not serve as direct outlets for farms or dwellings.

Type: Dirt, graded and drained.

Respectfully submitted,

12. To see what sum of money the Town will vote to raise and appropriate for Civilian Defense.

13. To see what sum of money the Town will vote to raise and appropriate for Legal Expenses.

14. To see if the Town will vote to raise and appropriate the sum of \$3000.00 for Town Construction and permanent improvement of roads.

15. To see what sum of money the Town will vote to raise and appropriate for Town Road Aid.

16. To see what sum of money the Town will appropriate out of unexpended appropriations for repairs and supplies for the Tyler bridge. (Recommended by the Budget Committee).

17. To see if the Town will vote to accept the report of the Road Planning Committee and to require that the recommendations of the Committee as laid out for the fiscal year 1952-'53 be carried out in the year 1952-'53. (Submitted by Petition).

18. To see if the Town will vote to recommend the use of the 1952 Town Road Aid money for reconstruction of Gould Hill Road from Putnam's corner to its junction with the Penacook Road. (Submitted by Petition).

19. To see if the Town will vote to recommend using part of the 1952 Town Road Aid money to finish and oil the Sugar Hill Road from U. S. Route 202 at Guimond's Corner through to the Bassett Mill Road. (Submitted by Petition).

20. To see what sum of money the Town will vote to raise and appropriate to blacktop a strip of road on Kast Hill between the Raymond place and the Heniker Town line, about one-half mile. (Submitted by Petition without the recommendation of the Budget Committee).

21. To see if the Town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security act (Old age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$200.00 to defray the town's share of the cost thereof. (Recommended by the Budget Committee).

22. To see if the Town will authorize the Selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer as the Officer to be responsible for the administration of the plan.

23. To see if the Town will vote to adopt the fol-

lowing recommendations submitted by the Town auditors.

1. That separate warrants be issued to the Tax Collector by the Selectmen for property and yield taxes, poll taxes and head taxes.
  2. That delinquent poll taxes have a 20c penalty in lieu of interest added after October 1st.
  3. That the residents of the Town of Hopkinton be requested to notify the Selectmen of the number of shares of National Bank Stock owned by them within the State of New Hampshire to facilitate the addition to the tax warrant of assessment against these banks in order that this tax may be received by the Town of Hopkinton rather than by other communities of which these stockholders were former residents.
  4. That all money in payment for cemetery lots pass through the Town Clerk, to be recorded by him, and turned over to the Trustees of Trust Funds through the Town Treasurer.
  5. That all money in payment for perpetual care pass directly to the Trustees of Trust Funds, to be recorded and accounted for by them.
  6. That the recent provisions enacted by the State Legislature pertaining to the consolidation of Trust Funds be taken advantage of, with the monies of the various funds being consolidated but the identity of the funds being maintained.
24. To see if the Town will vote to ask the N. H. State Tax Commission to do a complete revaluation and reassessment of taxable properties in Hopkinton. (Submitted by Petition).
25. To see if the Town will vote to raise and appropriate the sum of \$1500.00 to pay for the revaluation and reassessment of taxable properties to be done by the N. H. State Tax Commission. (Submitted by Petition without the recommendation of the Budget Committee).
26. To see if the Town will vote to accept the sum of \$200.00 from the Estate of John Prescott Kimball,

the income to be used for the Hopkinton Village Public Library.

27. To see if the Town will vote to accept the following Cemetery Trust Funds, the income to be used as directed subject to the provisions adopted at the Town meeting of March 10th, 1925.

The sum of \$150.00 from the Estate of George M. Putnam for the care of the Samuel Eastman lot in the Old Hopkinton Village Cemetery.

The library shows a healthy increase in circulation and in types of books asked for. 42% of the books lent were fiction, 22% non-fiction and 36% children's. The latter figure is a healthy sign, as was the attendance at the story hours which stimulated demand for desirable books. The intelligence, discrimination and devotion of the librarian, book committee and story-hour assistants were noteworthy.

An excellent step-ladder and stool were made to library standards and donated by Mr. Victor Willoughby.

Respectfully submitted,

REPORT OF THE SCHOOL MEETING

---

The annual Hopkinton School District Meeting was held in the Town Hall, March 13, 1951, Mr. Neal Rice acting as Moderator and Mrs. Harold Clough as Clerk.

The warrant was read by the Moderator.

Rev. Mr. Keech offered prayer.

Article 1.

Neal J. Rice was elected Moderator for the coming year.

Mrs. Harold R. Clough was elected Clerk for the ensuing year.

Edward Leadbeater offered the following motion and moved its adoption: To suspend further action under Article 1 until after action on other articles, taking up Articles 7, 8, 9, 10, 11, 4, 5, 6, in order listed. The motion was seconded.

Clifford Phelps moved that the motion be amended by adding "and that the voting necessary for Article 9 be by polling the house". The amendment was seconded and accepted by Mr. Leadbeater.

An amendment offered by Fred Roberts, Jr. to vote by ballot on Article 9 was ruled out by the Moderator as contrary to above amendment.

The amendment offered by Mr. Phelps was passed.

The following motion was carried: To suspend further action under Article 1, until after action on other articles taking up Articles, 7, 8, 9, 10, 11, 4, 5, 6, in order

listed and action under Article 9 shall be a poll of the house.

#### Article 7.

The motion made by Arthur Burnham and seconded to vote by ballot on Article 7 was not carried.

Earl Rice offered the following motion and moved its adoption:

RESOLVED, That the District construct and equip a new school building for the housing of a high school and some elementary grades. Mr. Rice's motion was seconded and carried.

#### Article 8.

The following motion by Rev. Ernest Shepherd was seconded and carried:

RESOLVED, That the sum of Two Hundred Thirty Thousand Dollars (\$230,000) be and it is hereby appropriated for the construction and equipment of the new school building voted under the preceding article and for the acquisition of land for its site; and

FURTHER RESOLVED, That Ten Thousand Dollars (\$10,000) of said sum be raised by taxation during the current year.

#### Article 9.

James A. Weast offered the following resolution and moved its adoption:

RESOLVED, That serial notes or bonds of the District in the total amount of Two Hundred Thousand Dollars (\$200,000) be issued, in accordance with authority conferred upon the District by House Bill No. 69 enacted by the General Court at its 1951 session and

approved by the Governor on March 1, 1951, the proceeds of said notes or bonds to be used for the construction and equipment of the new school building voted under Article 7, and for the acquisition of land for its site; and

FURTHER RESOLVED, That the School Board be and it is hereby authorized and empowered to determine the time and place of payment and the rate of interest on such notes or bonds, to provide for the sale thereof and to do any and all such acts and things as they may deem necessary to the issuance thereof.

This resolution was seconded.

The moderator stated that by a previous vote the house would be polled; that the adoption of this resolution requires a two-thirds vote of those present and voting and appointed the Selectmen as tellers.

Total number of votes cast	286
Number of votes for the adoption of the resolution	284
Number of votes against the adoption of the resolution	2

The Moderator declared the vote in the affirmative and the resolution by Mr. Weast adopted.

Article 10.

Wendell Clough offered the following resolution and moved its adoption:

RESOLVED, That the Capital Reserve Fund created by vote of the District at the annual meeting held on March 8, 1949, be used for the construction and equipment of the new school building and for acquisition of land for its sites; and

FURTHER RESOLVED, That the Trustees of Trust Funds be and they are hereby directed and instructed to pay over to the School Board the balance of said fund upon request.

The following amendment by Mrs. Dorothy Clark was accepted and passed: That the interest accumulated on the bonds be added to that fund. The motion was seconded and adopted.

#### Article 11.

Carl Clark offered the following resolution and moved its adoption:

RESOLVED, That the School Board, acting upon the advice of the Building Committee, be and it is hereby authorized to enter into all necessary contracts for the construction and equipment of the new school building.

A motion was carried to suspend action under Article 11, take up Article 4, then return to Article 11.

#### Article 4.

Mr. Edward English moved the adoption of the following resolution:

RESOLVED, That the Clerk cast one ballot for the election of a Building Committee composed of the following:

Earl Rice, Chairman, F. M. Auer, Ivan Bohanen, Harold Clough, Priscilla Hayward, Gladys Heath, Deborah Hoffman, A. L. Pimental and that the School Board be authorized to fill any vacancies on the Committee or make additional appointments if desired.

Dr. Pimental offered the following amendment which

was accepted and carried: That the Selectmen be added to the Building Committee. The resolution was adopted and the Building Committee declared elected.

The Moderator returned to Article 11 and the resolution of Carl Clark was seconded and adopted.

#### Article 5.

The following motion by John Brock was seconded and adopted:

RESOLVED, That the Building Committee be and it is hereby authorized to select a location for a new school building.

#### Article 6.

The following motion by Frank Kimball was seconded and carried:

RESOLVED, That the School Board be and it is hereby authorized to acquire by purchase or by right of eminent domain such land as may be necessary and desirable for the site of the new school building at the location selected by the Building Committee.

Returning to Article 1.

Edward C. Leadbeater was elected a member of the School Board for the ensuing three years.

James Weast, Robert Prowse, and Norman C. Hoffman were elected auditors for the ensuing year.

Jessie Brown was elected Treasurer for the ensuing year.

#### Article 2.

The motion was carried to accept the reports of the

School Board Auditors and Treasurer as printed in the Town Report.

Article 3.

Harold Martin made the following motion which was seconded and carried:

That the district raise and appropriate the sum of \$71,261.25 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 12.

Edward Leadbeater offered the following resolutions which were carried:

Whereas, Almighty God in his infinite wisdom saw fit to take from us on February 9, 1951 our good friend, fellow townsman and long-time School District Auditor, George Putnam, and

Whereas, Mr. Putnam in his last will and testament gave tangible evidence of his interest in and love for the youth of Hopkinton by providing perpetual funds for education,

Be it Resolved that the Hopkinton School District assembled in its annual meeting on March 13, 1951 express its regrets at the loss of a dear friend and its appreciation for all his good works, and further

Resolved that these resolutions be made a perman-

ent part of the records of the School District and that a copy hereof be transmitted by the Clerk to the Directors of the Putnam Foundation.

RESOLVED, That the clerk's minutes of this and future meetings be printed in the Town Report.

Moved to adjourn.

The Building Committee has been very active this past year. A great deal of time has been spent working on various plans for the school building and explaining to the people the progress that had been made so they would know what they were voting for when the question of the new school was brought up in District Meeting. This Committee, under the able leadership

of Earl J. Rice, has done a marvelous piece of work and the large vote in favor of the new school is certainly a tribute to the Board and the Building Committee. The thing which has impressed me is the complete harmony of the members. They talked over what differences they might have and arrived at conclusions in complete agreement.

Immediately after the affirmative vote for the new building, work was started on the detailed plans for the new school. One major change was decided upon by the Committee. In the original plans part of the basement was to be left unexcavated with the idea that when more class room space was needed, wisely I think, to excavate the whole basement area. Two factors influenced this decision. The first, considerable comment had been made because there was no adequate provision for a hot lunch program and the second factor was the added cost of finishing off the basement at a later date. Although this change increased the contract bid it also means, in the long run, that the District will save thousands of dollars.

Bids were finally opened on June 20, 1951 and Blanchard Stebbins of Manchester, N. H., was found to be the low bidder. After some revising of plans and specifications, Mr. Stebbins signed a contract to construct the school building for the sum of \$210,930.00. In the meantime, the steel which we had so carefully cornered, was frozen by Government order and we had to go through the process of getting a priority for steel and copper and permission from the Federal Security Agency for the construction of a new school building. After considerable work on "Operation Steel" we finally received our full quota of steel and the permission to construct the building.

Along with the problem of steel was the problem of selling the bonds and putting the money to work until it was needed. When the question of bond issue

and interest rates was discussed, the Budget Committee and School Board were told that the interest rate would be 2% or less. In April, however, the Federal Reserve Board changed a long established practice and dropped their support of the U. S. Treasury Bond market and it looked as though the School Board would have to pay  $2\frac{1}{2}\%$  to 3% on the bonds. The Board refused to be panicked by this and waited until the market had readjusted itself.

Several offers were made to the Board to buy the bonds at 2.25% but after much discussion they decided to put the bonds up for bid. The W. E. Hutton Co. and Belleu-Adams & Co. of Boston was the high bidder and their bid was accepted. Their bid was \$200,946.67 for \$13,000 bonds payable on February 1 of each of the years 1953 to 1962 inclusive and \$14,000 on February 1 in each of the years 1863 to 1967 inclusive. The bonds will carry an interest rate of 1.9%. Some of the bond money has been invested in U. S. Treasury Bills and will be re-invested until it is needed to pay bills for construction.

The present status of the building is as follows: The School District now has a deed for the land on which the school will be built. Materials for the building have been coming in for several months. One load of steel has been delivered, plumbing and electrical materials are on hand, and I have just received notice that the steel sash for the windows is in transit. The site is being cleared of trees and the Fair Association buildings are being moved. It is my understanding that Mr. Stebbins feels that, because there is so little frost in the ground, he will be able to break ground sometime around the first of March.

There has been no change in teacher personnel in the elementary schools. In the high school, there were four changes in positions when school opened in September. The new teachers are Miss Barbara Saturley,

Miss Thelma Letteney and Mr. John McGrath, Jr. Mr. William H. Milne was appointed Principal to replace Mr. Elson Herrick who resigned to accept a position in East Jaffrey. Because of the increased enrollment in Mrs. Andrews' room, Mrs. Doris White Milne kindly came out of retirement, the last of November, to help Mrs. Andrews. We should plan for another teacher next year.

The Board is working on the budget (January 27) and is planning to include, in the budget, salary for another teacher. Budgets are difficult enough to make out any time as they have to provide for a school year that runs through June 1953. This year it is especially difficult because we are not sure when we will get into the new building. It might be in January but more probably, March or April. They will have to plan to use the old building part of a school year and the new building part of a year.

I am now completing my ninth year in town and, although each year seems to be busier, I have enjoyed my work very much.

WILLIAM C. STERLING,  
*Superintendent of Schools*

## REPORT OF PRINCIPAL

Contoocook, New Hampshire  
December 31, 1951

To: Mr. William C. Sterling, Supt. of Schools,  
Union No. 26, Contoocook, N. H.

I hereby submit my report for the year 1950-51 as  
Principal of Hopkinton High School.

## MEMBERS OF THE CLASS OF 1951

Barbara Call	Beverly Martin
Barbara Coen	Carl Oslund
Desmond Douglas	Robert Price
Robert Gerrard	Robert Smith
William Hilton	Theodore Story
Edith Jones	Richard Symonds
James Kiepper	John Wunderlich

Of these fourteen graduates, five are continuing with their education, six are members of the armed forces, two are gainfully employed, and one is married.

## Enrollment

The present registration showed an enrollment of 135 students in the Junior and Senior High School with the distribution by classes as follows:

## JUNIOR HIGH SCHOOL

Grade	Boys	Girls	Total

The Hot Lunch program was started on November 26, 1951 and will continue until April vacation. Approximately 250 meals per day are being served. The success of this program is due in no small measure to the following women: Mrs. Mary Shurtleff, Mrs. Elsie Straw, Mrs. Clara Ward, and Mrs. Dorothy French — under the able direction of Mrs. Evelyn Rice, our Home Economics instructor. Our hot lunch facilities have been inspected by both the state hot lunch director and the health inspector and found to be very satisfactory.

The faculty and I wish to thank the Hopkinton Parent-Teachers Association for its generous contribution to the fund started by a private citizen to send students to the music camp at the University of New Hampshire this summer. We are also indebted to the Hopkinton Civic Association for its purchase of a tape recorder to add to our audio-visual materials. My thanks also to the other organizations and parents that have contributed in various ways toward the enrichment of our program.

Respectfully submitted,

WILLIAM H. MILNE,

*Principal*
